## 10. REVIEW OF CODE OF CONDUCT

**RECOMMENDATION** that Riverina Water County Council adopted Draft Policy 1.1 Code of Conduct and Draft Policy 1.1a Procedures for the Administration of the Model Code of Conduct and that Council enter into an arrangement with Riverina Eastern Regional Organisation of Councils (REROC) to share a panel of conduct reviewers

---

A revised Code of Conduct was adopted by Riverina Water County Council in 2013, taking into account changes to local government regulations and the guidelines issued by the Division of Local Government. The Council Policy relating to its Code of Conduct was due for review in February 2017.

Over the past 9 months the Office of Local Government has been undertaking public consultation over a Revised Model Code of Conduct. A Revised Model Code is yet to be released. At Council's February 2017 Meeting it was resolved to defer consideration of the Code of Conduct until such time as the OLG has released its Revised Model Code of Conduct.

Council is required to revise its Code of Conduct within 12 months of the election of a new Council. This means that the Code should be reviewed prior to September 2017, together with Procedures for the Administration of the Model Code of Conduct.

It is likely that Council will again review its Code of Conduct following the eventual release of the Model Code of Conduct by the Office of Local Government.

Attached for councillors information is the proposed Code of Conduct, Procedures for the Administration of the Code of Conduct for Local Councils.

There are provisions in the Procedures for councils to share a panel of conduct reviewers. Riverina Eastern Regional Organisation of Councils (REROC) has advertised for expressions of interest from suitably qualified persons for appointment to a panel of conduct reviewers.

## **PART 1 INTRODUCTION**

This Code of Conduct has been adopted by Council and is based on the Model Code of Conduct for Local Councils in NSW which was subject to a major revision in 2013 with a commencement date of 1<sup>st</sup> March 2013.

Section 440 of the Act requires every council to adopt a code of conduct that incorporates the provisions of the Model Code. For the purposes of section 440 of the Act, this Code of Conduct comprises all parts of the Model Code of Conduct.

This code is supported by documentation referred to as “Part 2-Procedures for the Administration of the Code of Conduct.”

Councillors, administrators, members of staff of council, independent conduct reviewers, members of council committees including the conduct review committee and delegates of the council must comply with the applicable provisions of council’s Code of Conduct in carrying out their functions as council officials. It is the personal responsibility of council officials to comply with the standards in the code and regularly review their personal circumstances with this in mind.

Failure by a councillor to comply with the standards of conduct prescribed under this code constitutes misconduct for the purposes of the Act. The Act provides for a range of penalties that may be imposed on councillors for misconduct, including suspension or disqualification from civic office.

Failure by a member of staff to comply with council’s code of conduct may give rise to disciplinary action.

## **PART 2 PURPOSE OF THE CODE OF CONDUCT**

As earlier stated Councils Code of Conduct is based on the Model Code of Conduct which sets the minimum requirements of conduct for council officials in carrying out their functions. The code is prescribed by regulation which has a commencement date of 1<sup>st</sup> March 2013.

This revised Code of Conduct has been developed to assist council officials to:

- understand the standards of conduct that are expected of them
- enable them to fulfil their statutory duty to act honestly and exercise a reasonable degree of care and diligence (section 439)
- act in a way that enhances public confidence in the integrity of local government.

## **PART 3      GENERAL CONDUCT OBLIGATIONS**

### General conduct

- 3.1 You must not conduct yourself in carrying out your functions in a manner that is likely to bring the council or holders of civic office into disrepute. Specifically, you must not act in a way that:
- a) contravenes the Act, associated regulations, council's relevant administrative requirements and policies
  - b) is detrimental to the pursuit of the charter of a council
  - c) is improper or unethical
  - d) is an abuse of power or otherwise amounts to misconduct
  - e) causes, comprises or involves intimidation, harassment or verbal abuse
  - f) causes, comprises or involves discrimination, disadvantage or adverse treatment in relation to employment
  - g) causes, comprises or involves prejudice in the provision of a service to the community. (*Schedule 6A*)
- 3.2 You must act lawfully, honestly and exercise a reasonable degree of care and diligence in carrying out your functions under the Act or any other Act. (*Section 439*)
- 3.3 You must treat others with respect at all times.

### Fairness and equity

- 3.4 You must consider issues consistently, promptly and fairly. You must deal with matters in accordance with established procedures, in a non-discriminatory manner.
- 3.5 You must take all relevant facts known to you, or that you should be reasonably aware of, into consideration and have regard to the particular merits of each case. You must not take irrelevant matters or circumstances into consideration when making decisions.

### Harassment and discrimination

- 3.6 You must not harass, discriminate against, or support others who harass and discriminate against colleagues or members of the public. This includes, but is not limited to harassment and discrimination on the grounds of sex, pregnancy, age, race, responsibilities as a carer, marital status, disability, homosexuality, transgender grounds or if a person has an infectious disease.

### Development decisions

- 3.7 You must ensure that development decisions are properly made and that parties involved in the development process are dealt with fairly. You must avoid any occasion for suspicion of improper conduct in the development assessment process.
- 3.8 In determining development applications, you must ensure that no action, statement or communication between yourself and applicants or objectors

conveys any suggestion of willingness to provide improper concessions or preferential treatment.

Binding caucus votes

- 3.9 You must not participate in binding caucus votes in relation to matters to be considered at a council or committee meeting.
- 3.10 For the purposes of clause 3.9, a binding caucus vote is a process whereby a group of councillors are compelled by a threat of disciplinary or other adverse action to comply with a predetermined position on a matter before the council or committee irrespective of the personal views of individual members of the group on the merits of the matter before the council or committee.
- 3.11 Clause 3.9 does not prohibit councillors from discussing a matter before the council or committee prior to considering the matter in question at a council or committee meeting or from voluntarily holding a shared view with other councillors on the merits of a matter.
- 3.12 Clause 3.9 does not apply to a decision to elect the Chairperson or Deputy Chairperson or to nominate a person to be a member of a council committee.

## **PART 4      CONFLICT OF INTERESTS**

- 4.1 A conflict of interests exists where a reasonable and informed person would perceive that you could be influenced by a private interest when carrying out your public duty.
- 4.2 You must avoid or appropriately manage any conflict of interests. The onus is on you to identify a conflict of interests and take the appropriate action to manage the conflict in favour of your public duty.
- 4.3 Any conflict of interests must be managed to uphold the probity of council decision-making. When considering whether or not you have a conflict of interests, it is always important to think about how others would view your situation.
- 4.4 Private interests can be of two types: pecuniary or non-pecuniary.

### What is a pecuniary interest?

- 4.5 A pecuniary interest is an interest that a person has in a matter because of a reasonable likelihood or expectation of appreciable financial gain or loss to the person. (*Section 442*)
- 4.6 A person will also be taken to have a pecuniary interest in a matter if that person's spouse or de facto partner or a relative of the person or a partner or employer of the person, or a company or other body of which the person, or a nominee, partner or employer of the person is a member, has a pecuniary interest in the matter. (*Section 443*)
- 4.7 Pecuniary interests are regulated by Chapter 14, Part 2 of the Act. The Act requires that:
  - a) councillors and designated persons lodge an initial and an annual written disclosure of interests that could potentially be in conflict with their public or professional duties (*section 449*)
  - b) councillors and members of council committees disclose an interest and the nature of that interest at a meeting, leave the meeting and be out of sight of the meeting and not participate in discussions or voting on the matter (*section 451*)
  - c) designated persons immediately declare, in writing, any pecuniary interest. (*Section 459*)
- 4.8 Designated persons are defined at section 441 of the Act, and include, but are not limited to, the general manager and other senior staff of the council.
- 4.9 Where you are a member of staff of council, other than a designated person (as defined by section 441), you must disclose in writing to your supervisor or the general manager, the nature of any pecuniary interest you have in a matter you are dealing with as soon as practicable.

### What are non-pecuniary interests?

4.10 Non-pecuniary interests are private or personal interests the council official has that do not amount to a pecuniary interest as defined in the Act. These commonly arise out of family, or personal relationships, or involvement in sporting, social or other cultural groups and associations and may include an interest of a financial nature.

4.11 The political views of a councillor do not constitute a private interest.

### Managing non-pecuniary conflict of interests

4.12 Where you have a non-pecuniary interest that conflicts with your public duty, you must disclose the interest fully and in writing, even if the conflict is not significant. You must do this as soon as practicable.

4.13 If a disclosure is made at a council or committee meeting, both the disclosure and the nature of the interest must be recorded in the minutes. This disclosure constitutes disclosure in writing for the purposes of clause 4.12.

4.14 How you manage a non-pecuniary conflict of interests will depend on whether or not it is significant.

4.15 As a general rule, a non-pecuniary conflict of interests will be significant where a matter does not raise a pecuniary interest but it involves:

- a) a relationship between a council official and another person that is particularly close, for example, parent, grandparent, brother, sister, uncle, aunt, nephew, niece, lineal descendant or adopted child of the person or of the person's spouse, current or former spouse or partner, de facto or other person living in the same household
- b) other relationships that are particularly close, such as friendships and business relationships. Closeness is defined by the nature of the friendship or business relationship, the frequency of contact and the duration of the friendship or relationship
- c) an affiliation between the council official and an organisation, sporting body, club, corporation or association that is particularly strong.

4.16 If you are a council official, other than a member of staff of council, and you have disclosed that a significant non-pecuniary conflict of interests exists, you must manage it in one of two ways:

- a) remove the source of the conflict, by relinquishing or divesting the interest that creates the conflict, or reallocating the conflicting duties to another council official
- b) have no involvement in the matter, by absenting yourself from and not taking part in any debate or voting on the issue as if the provisions in section 451(2) of the Act apply

4.17 If you determine that a non-pecuniary conflict of interests is less than significant and does not require further action, you must provide an explanation of why you consider that the conflict does not require further action in the circumstances.

- 4.18 If you are a member of staff of council, the decision on which option should be taken to manage a non-pecuniary conflict of interests must be made in consultation with your manager.
- 4.19 Despite clause 4.16(b), a councillor who has disclosed that a significant non-pecuniary conflict of interests exists may participate in a decision to delegate council's decision-making role to council staff through the general manager, or appoint another person or body to make the decision in accordance with the law. This applies whether or not council would be deprived of a quorum if one or more councillors were to manage their conflict of interests by not voting on a matter in accordance with clause 4.16(b) above.

#### Reportable political donations

- 4.20 Councillors should note that matters before council involving political or campaign donors may give rise to a non-pecuniary conflict of interests.
- 4.21 Where a councillor has received or knowingly benefitted from a reportable political donation:
- a) made by a major political donor in the previous four years, and
  - b) where the major political donor has a matter before council,
- then the councillor must declare a non-pecuniary conflict of interests, disclose the nature of the interest, and manage the conflict of interests in accordance with clause 4.16(b).
- 4.22 For the purposes of this Part:
- a) a "reportable political donation" is a "reportable political donation" for the purposes of section 86 of the *Election Funding, Expenditure and Disclosures Act 1981*,
  - b) a "major political donor" is a "major political donor" for the purposes of section 84 of the *Election Funding, Expenditure and Disclosures Act 1981*.
- 4.23 Councillors should note that political donations below \$1,000, or political donations to a registered political party or group by which a councillor is endorsed, may still give rise to a non-pecuniary conflict of interests. Councillors should determine whether or not such conflicts are significant and take the appropriate action to manage them.
- 4.24 If a councillor has received or knowingly benefitted from a reportable political donation of the kind referred to in clause 4.21, that councillor is not prevented from participating in a decision to delegate council's decision-making role to council staff through the general manager or appointing another person or body to make the decision in accordance with the law (see clause 4.19 above).

#### Loss of quorum as a result of compliance with this Part

- 4.25 Where a majority of councillors are precluded under this Part from consideration of a matter the council or committee must resolve to delegate consideration of the matter in question to another person.

- 4.26 Where a majority of councillors are precluded under this Part from consideration of a matter and the matter in question concerns the exercise of a function that may not be delegated under section 377 of the Act, the councillors may apply in writing to the Chief Executive to be exempted from complying with a requirement under this Part relating to the management of a non-pecuniary conflict of interests.
- 4.27 The Chief Executive will only exempt a councillor from complying with a requirement under this Part where:
- a) compliance by councillors with a requirement under the Part in relation to a matter will result in the loss of a quorum, and
  - b) the matter relates to the exercise of a function of the council that may not be delegated under section 377 of the Act.
- 4.28 Where the Chief Executive exempts a councillor from complying with a requirement under this Part, the councillor must still disclose any interests they have in the matter the exemption applies to in accordance with the requirements of this Part.
- 4.29 A councillor, who would otherwise be precluded from participating in the consideration of a matter under this Part because they have a non-pecuniary conflict of interests in the matter, is permitted to participate in consideration of the matter, if:
- a) the matter is a proposal relating to
    - i) the making of a principal environmental planning instrument applying to the whole or a significant part of the council's area, or
    - ii) the amendment, alteration or repeal of an environmental planning instrument where the amendment, alteration or repeal applies to the whole or a significant part of the council's area, and
  - b) the councillor declares any interest they have in the matter that would otherwise have precluded their participation in consideration of the matter under this Part.

#### Other business or employment

- 4.30 If you are a member of staff of council considering outside employment or contract work that relates to the business of the council or that might conflict with your council duties, you must notify and seek the approval of the general manager in writing. (*Section 353*)
- 4.31 As a member of staff, you must ensure that any outside employment or business you engage in will not:
- a) conflict with your official duties
  - b) involve using confidential information or council resources obtained through your work with the council
  - c) require you to work while on council duty
  - d) discredit or disadvantage the council.

### Personal dealings with council

4.32 You may have reason to deal with your council in your personal capacity (for example, as a ratepayer, recipient of a council service or applicant for a consent granted by council). You must not expect or request preferential treatment in relation to any matter in which you have a private interest because of your position. You must avoid any action that could lead members of the public to believe that you are seeking preferential treatment.

## **PART 5 PERSONAL BENEFIT**

For the purposes of this section, a reference to a gift or benefit does not include a political donation or contribution to an election fund that is subject to the provisions of the relevant election funding legislation.

### Gifts and benefits

- 5.1 You must avoid situations giving rise to the appearance that a person or body, through the provision of gifts, benefits or hospitality of any kind, is attempting to secure favourable treatment from you or from the council.
- 5.2 You must take all reasonable steps to ensure that your immediate family members do not receive gifts or benefits that give rise to the appearance of being an attempt to secure favourable treatment. Immediate family members ordinarily include parents, spouses, children and siblings.

### Token gifts and benefits

- 5.3 Generally speaking, token gifts and benefits include:
- a) free or subsidised meals, beverages or refreshments provided in conjunction with:
    - i) the discussion of official business
    - ii) council work related events such as training, education sessions, workshops
    - iii) conferences
    - iv) council functions or events
    - v) social functions organised by groups, such as council committees and community organisations
  - b) invitations to and attendance at local social, cultural or sporting events
  - c) gifts of single bottles of reasonably priced alcohol to individual council officials at end of year functions, public occasions or in recognition of work done (such as providing a lecture/training session/address)
  - d) ties, scarves, coasters, tie pins, diaries, chocolates or flowers
  - e) prizes of token value.

### Gifts and benefits of value

- 5.4 Notwithstanding clause 5.3, gifts and benefits that have more than a token value include, but are not limited to, tickets to major sporting events (such as state or international cricket matches or matches in other national sporting codes (including the NRL, AFL, FFA, NBL)), corporate hospitality at a corporate facility at major sporting events, discounted products for personal use, the frequent use of facilities such as gyms, use of holiday homes, free or discounted travel.

### How are offers of gifts and benefits to be dealt with?

- 5.5 You must not:
- a) seek or accept a bribe or other improper inducement
  - b) seek gifts or benefits of any kind
  - c) accept any gift or benefit that may create a sense of obligation on your part or may be perceived to be intended or likely to influence you in carrying out your public duty

- d) accept any gift or benefit of more than token value
- e) accept an offer of cash or a cash-like gift, regardless of the amount.

- 5.6 For the purposes of clause 5.5(e), a “cash-like gift” includes but is not limited to gift vouchers, credit cards, debit cards with credit on them, prepayments such as phone or internal credit, memberships or entitlements to discounts.
- 5.7 Where you receive a gift or benefit of more than token value that cannot reasonably be refused or returned, this must be disclosed promptly to your supervisor, the Chairperson or the general manager. The recipient, supervisor, Chairperson or general manager must ensure that any gifts or benefits of more than token value that are received are recorded in a Gifts Register. The gift or benefit must be surrendered to council, unless the nature of the gift or benefit makes this impractical.

#### Improper and undue influence

- 5.8 You must not use your position to influence other council officials in the performance of their public or professional duties to obtain a private benefit for yourself or for somebody else. A councillor will not be in breach of this clause where they seek to influence other council officials through the appropriate exercise of their representative functions.
- 5.9 You must not take advantage (or seek to take advantage) of your status or position with or of functions you perform for council in order to obtain a private benefit for yourself or for any other person or body.

**Resolution** is a motion that has been passed by a majority of Councillors at the meeting. While in practice it means the 'council decision', the word 'resolution' also indicates the process by which the decision was made;

**Tabled** means a document or material physically presented to a meeting for it to be added to the records of the Council and for it to be accessible to the Councillors, press and public;

## **PART 2 CONVENING OF, AND ATTENDANCE AT, COUNCIL MEETINGS**

### **5) Frequency of Meetings of the Council**

- a) Council shall meet at least 6 times each year, on a bi-monthly basis (**S396 of the Act**). Ordinary Meetings shall be held on the 4th Wednesday of the month commencing at 1.30 pm. All Council Meetings unless otherwise advised are to be held in the Council Meeting Room – 91 Hammond Avenue, Wagga Wagga. Council meetings are open to the public. Confidential items are considered in closed session, which excludes press and public.
- b) The Council shall, by resolution, set the time, date and place of ordinary meetings of the Council.
- c) The Council may, by resolution, vary the time, date and place of ordinary meetings for flexibility on given circumstances.

### **6) Extraordinary Meeting**

At least two (2) councillors can make a written request to the Chairman to call an extraordinary meeting of the council, which must be called to be held “as soon as practicable” but in any event within 14 days after receiving the request (s 366 of the Act) If the Chairperson fails to call an extraordinary meeting to be held within 14 days after receiving the request from the Councillors, those Councillors may, in writing,

request the General Manager to call the extraordinary meeting. The General Manager must call the meeting to be held as soon as practicable.

Where the Chairperson is of the opinion that an emergency exists which warrants an extraordinary meeting of the Council being called to deal with that emergency, the Chairperson may call an extraordinary meeting of the Council being called to deal with that emergency. The Chairperson, in consultation with the General Manager, shall determine the date and time of the extraordinary meeting. Any request submitted in accordance with this clause must clearly state the business proposed to be transacted at the meeting.

Extraordinary meetings are not only held in “extraordinary” circumstances. These meetings are usually held to deal with special business or where there is so much business to be dealt with that an additional meeting is required **(cl. 242 of the Regulation)**.

## 7) Notice of Meetings

- a) the General Manager of the Council must give to each Councillor, at least three (3) clear working days before each meeting of the Council, a notice specifying the time and place at which and the date on which the meeting is to be held and the business proposed to be transacted at the meeting. **(S367(1) of the Act and 262 (1) of the Regulation)**

Note: The three day period shall be reckoned exclusive of both the day on which the notice is given to each Councillor, and the day of the meeting.

- b) Notice of less than three (3) clear working days may be given of an extraordinary meeting called in an emergency, but in no case shall notice of less than 24 hours be given. **(S367(2) of the Act and 262 (2) of the Regulation)**
- c) A notice under this section and the agenda for, and the business papers relating to, the meeting may be given to a Councillor in electronic form but only if all Councillors have facilities to access the notice, agenda and business papers in that form. **(S367(3) of the Act)**
- d) A notice of a meeting of Council or of a committee must be published in a newspaper circulating in the local area before a meeting takes place. The notice should specify the time and place of the meeting. (Reg-CI.232 (2). This provision does not apply to an extraordinary meeting of Council or committee.(Reg-CI.232(5) (Refer Part 7 Press and Public for details)

## 8) Quorum

The quorum for a meeting of the Council is a majority of the Councillors of the Council who hold office for the time being and are not suspended from office. **(S368 of the Act)**

Note: Councillors who have declared a pecuniary interest, and are therefore precluded from voting, should still be counted for the purpose of calculating the quorum, because they continue to hold office and are not suspended from office.

## 9) What Happens When a Quorum is not Present

- a) A meeting of the Council must be adjourned if a quorum is not present:
- i) within half an hour after the time designated for the holding of the meeting or
  - ii) at any time during the meeting. **(The Regulation 233 (1))**

Note: Any member of Council can as a point of order draw attention to the lack of a quorum. A call for a check on the quorum should be addressed to the Chair. As it is not possible to continue a

meeting without a quorum, the call for a quorum check takes precedence over any other business before Council.

- b) In either case, the meeting must be adjourned to a time, date and place fixed: **(The Regulation 233(2))**
  - i) by the chairperson, or
  - ii) in his or her absence - by the majority of the Councillors present, or
- c) Failing that, by the General Manager. **(The Regulation 233(3))**
- d) The General Manager must record in the Council's minutes the circumstances relating to the absence of a quorum (including the reasons for the absence of a quorum) at or arising during a meeting of the Council, together with the names of the Councillors present.

## **10) Attendance at Council Meetings**

- a) A Councillor cannot participate in a meeting of the Council unless personally present at the meeting. **(The Regulation 235)**
- b) A civic office becomes vacant if the holder is absent without prior leave of the Council from three consecutive Ordinary Meetings of Council (unless the holder is absent because he or she has been suspended from office under Section 482 of the Act 1993) without prior leave of the Council, or leave granted by Council at any of the meetings concerned. **(S.234 (d) of the Act).**
- c) For the purpose of clause 10(b), a Councillor applying for leave of absence from a meeting of a Council does not need to make the application in person and the Council may grant such leave in the absence of that Councillor. However, the absence must be granted through a formal resolution of Council and the absence is rescinded upon the first attendance of the Councillor at a meeting of the Council.

(Note: To be present a Councillor must be within the room in which the meeting is being held).

## **11) Circumstances in which annual fees may be withheld**

- a) The Council may resolve that an annual fee will not be paid to a Councillor or that a Councillor will be paid a reduced annual fee determined by the Council for any period of not more than three meetings for which the Councillor is absent with or without leave from an Ordinary Meeting or Ordinary Meetings of the Council.
- b) If a Councillor is absent, with or without leave of the Council, from Ordinary Meetings of the Council for any period of more than six (6) months, the Council must not pay any annual fee, or part of an annual fee, to that Councillor that relates to the period of absence that is in excess of six months. **(Section 254A (a) of the Act)**

## **PART 3 PROCEDURE FOR THE CONDUCT OF COUNCIL MEETINGS**

### **12) Chairperson of Council Meetings**

- a) Chairperson, or in the absence of the Chairperson, the Deputy Chairperson presides at meetings of the Council. **(S369(1) of the Act)**
- b) If the Chairperson and the Deputy Chairperson are absent, a Councillor elected to chair the meeting by the Councillors present presides at a meeting of the Council. **(S369(2) of the Act)**
- c) If no chairperson is present at a meeting of the Council at the time designated for the holding of the meeting, the first business of the meeting must be the election of a chairperson to preside at the

meeting. **(Reg-CI. 236(1))**

- d) The election must be conducted:
  - i) by the General Manager or, in his or her absence, an employee of the Council designated by the General Manager or;
  - ii) if neither of them is present at the meeting or there is no General Manager or designated employee - by the person who called the meeting or a person acting on his or her behalf. **The Regulation 236(2)**
- e) If, at an election of a Chairperson, 2 or more candidates receive the same number of votes and no other candidate receives a greater number of votes, the Chairperson is to be the candidate whose name is chosen by lot. **The Regulation 236(3)**
- f) For the purposes of sub clause (e), the person conducting the election must:
  - i) arrange for the names of the candidates who have equal numbers of votes to be written on similar slips. **(The Regulation 236 (4)(a))**; and
  - ii) then fold the slips so as to prevent the names from being seen, mix the slips and draw one of the slips at random. **(The Regulation 236 (4)(b))**
- g) The candidate whose name is on the drawn slip is the candidate who is to be the chairperson. **(The Regulation 236(5))**
- h) In the event the Chairperson should find it necessary to vacate the chair during the course of a meeting the Chairperson should seek leave of the Council and invite the Deputy Chairperson to take the chair, or in the absence of the Deputy Chairperson, whomever a quorum of the Council may elect.

### **13) Conduct of Debate**

- a) Any person wishing to move a motion or amendment or to take part in any discussion or debate should rise and address the chairperson, resuming his/her seat at the close of the remarks.
- b) When the chairperson rises or speaks during a meeting of the Council:
  - i) any Councillor then speaking or seeking to speak must immediately resume his or her seat and
  - ii) every Councillor present must be silent to enable the chairperson to be heard without interruption. **(The Regulation 237)**
- c) If two or more persons rise to speak at the same time, the chairperson decides which of them is entitled to priority. The other persons who have risen should then resume their seats.
- d) Speakers must keep to the particular matter then before the meeting, whether it be a motion, an amendment, a point of order or a personal explanation.

### **14) Chairperson's Duty with Respect to Motions**

- a) It is the duty of the chairperson at a meeting of the Council to receive and put to the meeting any lawful motion that is brought before the meeting.
- b) The chairperson must rule out of order any motion that is unlawful or the implementation of which would
- c) Any motion, amendment or other matter that the chairperson has ruled out of order is taken to have been rejected. **(The Regulation 238)**

- d) The Chairperson is to ensure that motions and amendments are clearly stated for the benefit of all present and may request a Councillor to repeat the motion or amendment if unclear or inaudible.

Note: Reasons for ruling a motion out of order include the following:

- That it is vague and equivocal in its language
- That it is the direct negative of a resolution just passed by the meeting
- That it proposes an action that is unlawful
- That it is ultra vires in that it is outside the scope of the meeting
- That it is defamatory
- That it is inconsistent with a resolution just adopted
- That it is unnecessary in that it proposes a course of action or policy already resolved upon by the meeting;
- That it is vexatious and proposed only as a way to impede the orderly transaction of business.

The guiding rule is that no motion should be put and no resolution can be effectively passed unless it is within the scope of the notice convening the meeting and within the competence of the meeting itself.

## 15) Minutes

- a) The Council must ensure that full and accurate minutes are kept of proceedings of the Council. **(S375(1) of Act)** The minutes should record the following:
- i) Details of each motion moved at a council meeting and of any amendments moved to it **(The Regulation 254)**
  - ii) the names of the mover and seconder of motions or amendments **(The Regulation 254)**
  - iii) attendance of Councillors
  - iv) declarations of interest
  - v) votes on divisions
  - vi) dissenting votes when requested by a Councillor
  - vii) circumstances relating to the absence of a quorum at or arising during a meeting, together with the names of the Councillors present
  - viii) any instances where the Chair's Casting Vote was used
  - ix) whether the motion or amendment is passed or lost
  - x) a report of the proceedings of the committee of the whole, including any recommendations of the committee **(The Regulation-259(3))**
- xi) **the Act** also provides that the following matters must be included in the minutes of council meetings:
- The grounds for closing part of the meeting to the public **(S10D of the Act)**
  - The report of a Council committee leading to a rescission or alteration motion **(S372(6) of the Act)**

Note Minutes are intended to be a record of the decisions of Council, not the opinions or demands of individual members.

- b) The correctness of the minutes of every preceding meeting, including extraordinary meetings, not previously confirmed must be dealt with at every ordinary meeting of the Council, in order that such minutes may be confirmed.
- c) A motion or discussion with respect to such minutes shall not be in order except with regard to their accuracy as a true record of the proceedings.

Note: Confirmation is a formal declaration of the correctness of the facts recorded in the minutes; it is not the ratification of any decisions made. A person cannot use the confirmation motion as an attempt to re-open any question previously decided.

- d) Minutes may be confirmed at an extraordinary meeting of the Council.
- e) The minutes must, when they have been confirmed at a subsequent meeting of the Council, be signed by the person presiding at that subsequent meeting. **(S375 (2) of the Act)**
- f) When motions are amended in the process of confirming the minutes of a previous meeting the amendment should be put by the movers in the form the motion should read. For example:

*“That the minutes of the meeting held on.....be confirmed subject to motion.....being corrected to read:.....”*

## **16) Order of Business**

- a) At a meeting of the Council (other than an extraordinary meeting), the general order of business is (except as provided by this Code) such as the Council has fixed by resolution passed at any previous meeting or, if no such resolution has been passed, in accordance with the Schedule. **(Reg.239(1))**
- b) The order of business fixed under sub clause (1) may be altered if a motion to that effect is passed. Such a motion can be moved without notice. **(Reg. 239(2))**
- c) Despite clause 30 of this code, only the mover of a motion referred to in sub clause (2) may speak to the motion before it is put. **(The Regulation 239(3))**

## **17) Agenda for Council Meetings**

- a) The General Manager must ensure that the agenda for a meeting of the Council states:
  - i) all matters to be dealt with arising out of the proceedings of former meetings of the Council or Committees; and
  - ii) if the Chairperson (or the Deputy Chairperson if acting for the Chairperson) is the chairperson - any business that the chairperson may decide to put before the meeting without notice; and
  - iii) any business of which due notice has been given. **(The Regulation 240(1))**
- b) The General Manager must ensure the agenda for a meeting of the Council or a committee of the Council is prepared as soon as practicable before the meeting and is prepared so as to comply with the prescribed Notice of Meeting (Refer Clause 7).**(The Regulation 240 (3))**.
- c) If, in the opinion of the General Manager, business to be transacted at a meeting of the Council is a kind of business referred to in Section 10A of the Act, the business may be included in a confidential agenda. All other business to be transacted at the meeting must be included in an ordinary agenda.
- d) All reports to Council, which in the opinion of the General Manager are likely to be considered when the meeting is closed to the public or contain an attachment(s) which is (are) likely to be considered when the meeting is closed to the public, must contain a statement at the beginning of the report identifying:
  - i) that the report, or attachment(s) to the report should be dealt with in confidential session;
  - ii) the reason under section 10A of the Local Government Act why the matter is confidential including, where necessary, an explanation of why it would be contrary to the public interest to deal with the matter in open session;
  - iii) any business of which due notice has been given; **(The Regulation 240 (4))**
- e) The General Manager must not include in the Agenda for a meeting of the Council any business of

which due notice has been given if, in the opinion of the General Manager, the business is (or the implementation of the business would be) unlawful. The General Manager must report (without giving details of the item of business) any such exclusion to the next meeting of the Council. **(The Regulation 240 (2))**

- f) Nothing in this clause limits the powers of the Chairperson under clause 20. **(The Regulation 240 (5))**

## **18) Giving Notice of Business**

- a) The Council must not transact business at a meeting of the Council:
- i) unless a Councillor has given notice of the business in writing four (4) clear working days before the meeting and any correspondence six (6) clear working days before the meeting; and
  - ii) unless notice of business has been given to the Councillors at least three (3) clear working days before the meeting, or, in the event of an extraordinary meeting called in an emergency, at least 24 hours before the meeting. **(S367 and Regulation 241(1))**
- b) sub clause (a) does not apply to the consideration of business at a meeting if the business:
- i) is already before, or directly relates to a matter that is already before, the council **(The Regulation 241 2(a)),**or
  - ii) reports of committees of the Council;
  - iii) reports from officers which in the opinion of the chairperson or the General Manager are urgent; and
  - iv) reports from officers placed on the business pursuant to a decision of a committee that additional information be provided to the Council in relation to a matter before the committee.
  - v) the election of a Chairperson to preside at the meeting as provided by Clause 12(c) **(The Regulation 241 (2)(b));** or
  - vi) a matter or topic put to the meeting by the Chairperson in accordance with Clause 20 **(The Regulation 241(2)(c);** or
- c) Despite sub clause (a), business may be transacted at a meeting of the Council when due notice of the business has not been given to Councillors, however, this can happen only if:
- i) a motion is passed to have the business transacted at the meeting; and
  - ii) The business proposed to be brought forward is ruled by the Chairperson to be of great urgency. Such a motion can be moved without notice. **(The Regulation 241(1)(3))**
- d) Despite clause 30, only the mover of a motion referred to in sub clause (c) can speak to the motion before it is put. **(The Regulation 241(1) (4)).**
- e) In determining whether a matter is of great urgency, the Chairperson must consider:
- i) The principal requirement that a meeting deal with matters before it on the business paper for which notice has been given; and
  - ii) Any potential costs which will be incurred, or irrevocable actions which might occur if the matter is considered at the next ordinary meeting of Council rather than forthwith.

## **19) Agenda for Extraordinary Meeting**

- a) The General Manager must ensure that the agenda for an extraordinary meeting of a Council deals only with the matters stated in the notice of the meeting.
- b) Despite sub clause (a), business may be transacted at an extraordinary meeting of a Council even

though due notice of the business has not been given to the Councillors. However, this can only happen if:

- i) A motion is passed to have the business transacted at the meeting; and
  - ii) the business proposed to be brought forward is ruled by the Chairperson to be of great urgency.
- c) Such a motion can be moved without notice but only after the business notified in the agenda for the meeting has been disposed of. **(The Regulation 242)**
- d) Only the mover of a motion referred to in sub clause (b) can speak to the motion before it is put. **(The Regulation 242(3))**

## 20) Chairperson Minutes

- a) If the Chairperson (or the Deputy Chairperson, if acting for the Chairperson) is the chairperson at a meeting of a Council, the chairperson is, by minute signed by the chairperson, entitled to put to the meeting any matter or topic that is within the jurisdiction of the Council or of which the Council has official knowledge. **(The Regulation 243(1))**
- b) Such a minute, when put to the meeting, takes precedence over all business on the Council's agenda for the meeting. The chairperson ( or the Deputy Chairperson, if acting for the Chairperson) may move the adoption of the minute without the motion being seconded. **(The Regulation 243(2))**

Note: **Can a Chairperson Minute be amended?** – *Changes to Chairperson minutes should be avoided where such changes will introduce, without notice, matters which need research or a lot of consideration by the Councillors before coming to a decision.*

- c) A recommendation made in a minute of the chairperson (or Deputy Chairperson, if acting for the Chairperson) or in a report made by a Council employee is, so far as adopted by the Council, a resolution of the Council. **(The Regulation 243 (3))**
- d) The Chairperson Minutes should not be used to introduce, without notice, matters that are routine, not urgent, or need research or a lot of consideration by the Councillors before coming to a decision. These types of matters are better placed on the Agenda with the usual period of notice given to the Councillors. **(DLG Practice Note 16/2009)**

## 21) Report of a Departmental Representative to be Tabled at Council Meeting

When a report of a Departmental representative has been presented to a meeting of a Council in accordance with section 433 of the Act, the Council must ensure that the report:

- a) is laid on the table at that meeting **(The Regulation 244(a))**; and
- b) Is subsequently available for the information of Councillors and members of the public at all reasonable times. **(The Regulation 244 (b))**

## 22) Notice of Motion - Absence of Mover

In the absence of a Councillor who has placed a notice of motion on the agenda for a meeting of the Council:

- a) any other Councillor may move the motion at the meeting **(Regulation 245(a))**; or

- b) The Chairperson may defer the motion until the next meeting of the Council at which the motion can be considered. **(The Regulation 245 (b))**

## 23) Formulation of Motions

- a) A motion is a proposal put forward by a Councillor or member of a Committee calling for a specific action to be taken or a decision to be made on a particular matter before the meeting;
- b) A Motion should be simple, easy to understand and very specific in its intention.
- c) Motions should be well structured and if it involves a number of different aspects, there should be different parts to the motion.
- d) If a Motion is complex in its wording and intent, the motion is to be submitted in writing and made available to other Councillors, the General Manager and Minute taker.
- e) In submitting a Notice of Motion, Councillors must balance their civic responsibility for representing the interests of their community with their obligation to use Council's resources effectively and efficiently. **(DLG Practice Note 16/2009)**

## 24) Motions

- a) A motion or an amendment cannot be debated unless or until it has been seconded. However, the mover of a motion may be allowed by the chairperson to speak to the motion before calling for the motion to be seconded. This clause is subject to clauses 20(b) and 30(e). **(The Regulation 246).**
- b) The seconder of a motion may reserve the right to speak later in the debate.

Note: If the seconder of a motion reserves the right to speak later this should be stated at the time that the motion is seconded. Before deferring the right to speak to a later stage of the debate, the seconder needs to be aware that:

- a procedural motion can cut off debate before the right is exercised;
- it is not possible to withdraw support for the motion, and
- Councillors cannot move amendments to motions they have seconded

- c) A seconder may second "pro forma" in order to ensure discussion. In this way, the seconder reserves the right to withdraw support if swayed by the contrary argument.
- d) Once a motion has been moved and seconded, it becomes the property of the meeting and it cannot be withdrawn without the consent of the meeting.

Note: The mover of a motion may withdraw it only if he/she gets the leave of the meeting to do so and if it has not already been amended. Permission of the seconder is not sufficient, and a vote of Council should be taken.

- e) Any Councillor may move a procedural motion that a motion be withdrawn. However, a motion cannot be withdrawn while an amendment is under consideration. However, the amendment can first be withdrawn in the usual manner. A procedural motion is a motion that refers to the conduct of a meeting. Procedural motions are not subject to the notice of motion requirements referred in this clause. A procedural motion requires a seconder and has precedence over substantive motions and must be put to the meeting without debate
- f) At any one time there can be only one substantive motion before the meeting.

Note: In the course of debating one motion it is possible to foreshadow another motion. However, the expressed act to foreshadow a motion is to provide information and does not constitute a formally proposed motion. In due course it can be proposed, and if seconded, considered by the meeting.

- g) The Chair may rule that a Motion or an amendment is out of order if, in the view of the Chair, the proposed motion:
- i) is vague and equivocal in its language;
  - ii) is the direct negative of or is inconsistent with a resolution just passed by the meeting;
  - iii) is an amendment which is a direct negative of the motion which it proposes to amend;
  - iv) proposes an action that is unlawful;
  - v) is ultra vires in that it is outside the scope of the meeting;
  - vi) has defamatory statements contained in the resolution;
  - vii) is unnecessary in that it proposes a course of action or policy already resolved upon by the meeting; and
  - viii) is vexatious and is proposed solely as a way to impede the orderly transaction or business.

## 25) Amendments to a Motion or Foreshadowed motions

- a) To be accepted, an amendment must clearly relate to the substantive motion, without contradicting it, and must be proposed before the debate on the substantive motion has been concluded. An amendment may propose that some words be omitted from the motion or added to the motion but it should not contradict the motion. Amendments that create a direct negative are not permissible. The proper means of opposing a motion is to vote against it.
- b) The amendment must be moved and seconded but this cannot occur until the original motion has been moved and seconded.
  - i) The mover of an amendment however, has no right of reply and can only speak once to the amendment?
- c) If an amendment is substantially the same as an earlier rejected amendment on the motion, it is not in order to accept it.
- d) While amendments are under discussion debate on the substantive motion is excluded. The meeting must view each amendment in its relation to the substantive motion; but the merits of that motion as first moved cannot be fully debated at that time.
- e) If an amendment has been rejected, a further amendment can be moved to the motion to which the rejected amendment was moved, and so on, but no more than one motion and one proposed amendment can be before the Council at any one time. **(The Regulation 247)**

Note: If the amendment is carried, the terms of the original motion are varied accordingly. The motion in its new form now becomes the substantive motion, and it can be further debated. In the event of another amendment being moved, the same procedure is repeated.

- f) It is permissible during the debate on an amendment for a further amendment to be foreshadowed. However, any such foreshadowed amendment shall not be moved and debated until the amendment is dealt with.

## 26) Motions of Dissent

- a) A Councillor can, without notice, move to dissent from the ruling of the chairperson on a point of order. A point of order is some irregularity in the meeting proceedings. (No seconder is required for the motion). If that happens, the chairperson must suspend the business before the meeting until a decision is made on the motion of dissent. **(The Regulation 248(1)).**

Note the motion is stated in the following terms: *'That the Chair's ruling be dissented from'*. The

Chairperson should vacate the Chair, and the Deputy takes the Chair for so long as the motion of dissent is before the meeting. By convention the question is actually asked in the form *'That the Chair's ruling be upheld'*.

- b) If a motion of dissent is carried, the chairperson must proceed with the suspended business as though the ruling dissented from had not been given. If, as a result of the ruling, any motion or business has been discharged as out of order, the chairperson must restore the motion or business to the agenda and proceed with it in due course. **(The Regulation 248 (2))**
- c) Despite clause 30, only the mover of a motion of dissent and the chairperson can speak to the motion before it is put. The mover of the motion does not have a right of general reply. **(The Regulation 248 (3))**

Note A dissent motion is not a motion of no confidence. It is used either to correct a bona fide mistake on the chairperson's part or to give legitimate effect to the will of the meeting. A Motion of dissent cannot be moved from the ruling of the chairperson under clause 241(3) of the L G Reg as to whether business is of "great urgency."

- c) Any such question must be put directly, succinctly, and without argument. **(The Regulation 249 (3))**
- d) The chairperson must not permit discussion on any reply or refusal to reply to a question put to a Councillor or Council employee under this clause. **(The Regulation 249 (4))**
